

Independent Bank Corporation and HCB Financial Corp. Announce Definitive Merger Agreement

March 18, 2026

GRAND RAPIDS, Mich., and HASTINGS, Mich., March 18, 2026 (GLOBE NEWSWIRE) -- Independent Bank Corporation (NASDAQ: IBCP) ("Independent"), the parent company of Independent Bank, and HCB Financial Corp. (OTCPK: HCBN) ("HCB"), the parent company of Highpoint Community Bank, jointly announced today the execution of a definitive merger agreement under which HCB will merge with Independent in a cash and stock transaction valued at approximately \$70.2 million, as detailed below.

The partnership combines two of Michigan's most people-focused and community-oriented franchises, strategically bolstering Independent's footprint in the high-growth corridor between Grand Rapids and Lansing. Based on financial data as of December 31, 2025, the combined organization will have approximately \$6.1 billion in total assets, \$5.3 billion in total deposits, and \$4.7 billion in total loans.

Strategic Rationale

This transaction aligns with Independent's core strategy to provide a superior, high-touch banking experience that out-competes larger regional and national institutions. Key strategic benefits include:

- **Market Density:** Highpoint's 7 locations complement Independent's current 59 branch network, bridging a geographic gap between Independents primary hubs in Grand Rapids and Lansing and planned growth into Southwest Michigan.
- **Superior Funding Profile:** HCB brings a high-quality, low-cost deposit base with a total cost of deposits of 1.50% and a loan-to-deposit ratio of 67%, providing Independent with significant liquidity to fund future growth.
- **Cultural Alignment:** Both institutions share a commitment to entrepreneurial, local decision-making and a commitment to prudent underwriting.
- **Expanded Capabilities:** Highpoint clients will gain access to Independent's broader suite of product offerings and increased lending limits.
- **Low Integration Risk:** Similar business models, compatible systems, and manageable relative sizing support a seamless integration process.

"We are thrilled to welcome the Highpoint Community Bank team and customers to Independent Bank," said Brad Kessel, President and CEO of Independent Bank Corporation. "This partnership is a perfect fit both geographically and culturally. By combining Highpoint's strong core deposit base and deep community roots with our expanded product set, we are better positioned to serve the families and businesses of Michigan while delivering meaningful value to our shareholders."

Mark Kolanowski, President and CEO of HCB Financial Corp., added, "Joining forces with Independent Bank represents an exciting new chapter for our organization. We have long respected Independent's commitment to community banking. This merger strengthens our ability to serve customers with greater lending capacity and enhanced digital capabilities, while keeping our employees part of a Michigan-headquartered team rooted in and committed to our local communities."

Transaction Details

Under the terms of the definitive merger agreement, at the closing of the transaction, Independent will issue 1.590 shares of its common stock plus \$17.51 in cash for each outstanding share of HCB. Based on the closing price of Independent's common stock of \$33.13 on March 17, 2026, the transaction would result in aggregate consideration paid to HCB shareholders of approximately \$70.2 million.

The transaction is expected to be approximately 6% accretive to Independent's 2027 earnings per share, assuming fully phased-in synergies. The estimated tangible book value per share dilution of 4% at closing is expected to be earned back in approximately 3.4 years using the crossover method. Independent will maintain a robust capital position post-closing, with a projected CET1 ratio of approximately 11.5%.

One HCB director will join each of the Board of Directors of Independent and the Board of Directors of Independent Bank following completion of the merger, increasing each of the respective boards to 11 members.

The transaction has been unanimously approved by the respective Boards of each organization and is expected to close early in the third quarter of 2026, subject to customary regulatory approvals, the approval of HCB shareholders, and the satisfaction of certain other closing conditions.
